BOOK ORDERS!

DUE FRIDAY, JAN. 17TH

We had a great week coming back from the break! We are super excited to welcome Abby Bernards who is student teaching in our classroom. She has been a great addition to our class and we are happy to have her with us.

This week we continued with our letter, sight word, and number routines. Next week we will finish our 3rd round of letter a day, and our 4th round of sight words. We will not begin a new round of sight words because we will be testing on reading and writing all of the words we have learned so far.

This week we've also been focusing on shapes for math. We are learning how to identify, describe, and draw shapes. See if your child can do all three of those for circle, square, triangle, hexagon, trapezoid, and rhombus. If they are struggling, you can help them at home!

Next week marks the end of Term 2. We will be doing testing all week to see the progress we have made this term. Thursday is the last day of the term. It will be an early out day. Friday is a teacher workday; there is no school for the children.

We are still looking for Kindergarten Students who will be coming next year. If you know someone that age please contact the office as soon as possible!
